Quetzal City

Dear Friends & Family,

As mentioned in our last prayer letter, we have made a list of over 10 communities that are in need of a gospel-preaching church. We would love to start a church in all 10 of those places! But the question still remains -- where do we begin *right now*? Well, the city of Quetzal is definitely on the top of our list!

Located just outside of Guatemala City, this rapidly-growing suburb has a population of 140,000 and no Baptist church. After first visiting there in February, we immediately saw the need and felt burdened for this city and these people. Then, we were even more excited when we were told that the church we are attending has some families that live there... AND, they currently have two children's Bible clubs with about 50 kids attending weekly. What a great opportunity!

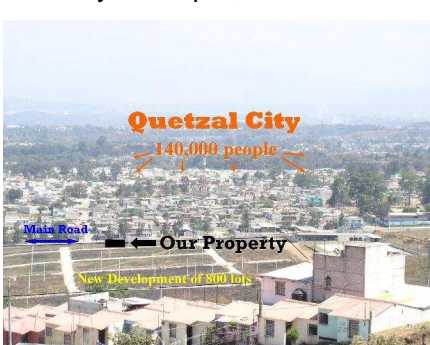

As you can tell by the pictures below, the city of Quetzal is divided into two levels: one part on top of the mountain, and the other part in the valley. In between these two levels of the city lies a brand new development of over 800 lots -- with the front row of these lots being on the main road (an ideal place for our church). After some research, we contacted the developer who informed us that every lot on the main road had been purchased by investors with plans of starting businesses. Then a week later, a contact person called and told us that one of those investors wanted to sell his two lots and that other lots were available directly behind those. We bought those two lots! And Lord willing, we will be purchasing 4 more lots directly behind those by mid-April. Praise the Lord! We plan to begin construction this fall on a facility that would have a large auditorium with a seating capacity of 550 and plenty of classrooms for the children's and Sunday School ministries. Our goal is to have a completed facility by February of 2008. Please pray for our leap of faith in the city of Quetzal.

Property Up-Close

We are also thankful for the opportunity we have had to serve in a local church -- Iglesia Bautista Monte Gerizim. The national pastor has been very gracious to us, allowing us to serve by teaching, preaching, soul-winning, and helping with their music ministry. In April, we will also begin helping with the Saturday Bible clubs in Quetzal.

Please pray for us that we will be able to reach the families of the children that attend. Thank you for all you prayers and faithful support!
